Personnel or Student Topic: If you are planning to speak about a personnel or student matter involving an individual, please understand that our policies require that such concerns initially be directed to the administration for consideration. Board members will generally not respond to any questions you ask or comments you may make about individual staff members or students. You are cautioned that slanderous comments are not protected just because they are made at a Board meeting.

General Rules: Please remember that this is a public meeting for the conduct of the business of the Board of Education. Offensive language, personal attacks and hostile conduct will not be tolerated.

**RECORDING OF MEETINGS:** The recording of open sessions of Board of Education meetings by the public is permissible according to section 84-1412 (Meetings of public body; rights of public; public body; powers and duties) of Nebraska law. Any public body may make and enforce reasonable rules and regulations regarding the recording of meetings. In accordance with section 84-1410, the recording of closed sessions is not permissible.

Board Policy 204.12 and Administrative Regulation 204.12R describe how members of the public may participate in Board of Education meetings and use recording devices. The recording of any part of Board of Education meetings is permissible, except for closed sessions. No recording, other than note taking, shall be done without informing the president in advance. The president has the right to control the placement of the recording device so the device does not obstruct the view of board members or other members of the public attending the meeting and does not otherwise interfere with the meeting.
